Subject: RE: BUNKER AT PRINCE RUPERT, CANADA

Inui Global Logistics Co., Ltd.
Yakuwa sama,

We confirmed that there is no local supplier at Prince Rupert in Canada and will be require to send bunker barges far from Vancouver B.C. which it takes around 5-6 hours to get reach to Prince Rupert.
According to the local suppliers at Vancouver B.C., they cannot send their bunker barges to Prince Rupert due to their barge operational issue and subject to affect weather conditions.
Therefore bunker supply at Prince Rupert is not usually available and we also request our customers to arrange bunker supply at Vancouver B.C.
If there are any questions, please kindly ask us anytime.

Thank you very much.
